

REMARKS

The Official Action of March 5, 2008, and the prior art cited and relied upon therein have been carefully studied. The claims in the application are now claims 67-69, 76-81 and 88-90, and these claims define patentable subject matter warranting their allowance. Favorable reconsideration and such allowance are respectfully urged.

Claims 1-66 have been cancelled. Claims 67-69, 76-81 and 88-90 remain in the application for consideration.

In response to the Examiner's objection to the drawings, Applicant has enclosed herewith a new replacement Fig. 4 for that originally filed, drafted to be entirely legible as required by the Examiner. Applicant respectfully submits that the Examiner's objection to the drawings has now been overcome.

Applicant thanks the Examiner for his indication that claims 67-69, 76-81 and 88-90, which are the only claims remaining in the application after cancellation of claims 1-66, have been allowed.

Accordingly, Applicant respectfully submits that this application is now in condition for allowance.

Accordingly, Applicant submits that this application is now in condition for allowance.
